Dear Sir

We wish to put our appreciation on record for the quality and timely supply of Ready Mixed Concrete for our Navghar Junction Fly-over Project at Mulund.

Your efforts and quality of pumpable and manual concrete were instrumental in achieving our target.

We would also like to state that your RMC team has given full co-operation for all the necessary technical support required for the timely completion of this project. We are sure that your contribution towards achieving our further targets shall continue.

Thanking You!

Yours truly

For Pratik Enterprises
